### FUNDRAISING

#### Club Raffle Night - Fri 3rd December

Each year, every club gets one day to hold a raffle for fund raising to go towards the cost for end of year Trophies, medals etc.

Our day is Friday 3rd December. We are seeking any items that families can donate to our club. Anything would be greatly appreciated. To help decide, the Team Manager has a list of suggested items relating to Christmas Hampers. If you would like to choose any of the items on the list, can you please put your family name next to it?

We also need volunteers not on duty to help out on the Raffle Table next to the canteen or to walk around the ground selling tickets. Please see the Team Manager if you can help out which would be greatly appreciated.

#### Tattslotto

Don't forget to pay up and make sure that you keep those chances of a \$10.00 windfall alive! **(All Payments to be made at the team mangers Table)**

In particular, the stairs at the rear of the grandstand are “Out Of Bounds”, as is playing “behind” the grandstand... In the interests of all athletes and spectators safety, please review these Policies and Rules, which are in your 2004/2005 Handbook.
2. . The Bayswater Bullets uniform description: Burnt Orange T-Shirt with black sleeves and "Bayswater Bullets" logo on back / black shorts No other colours...don't forget to attach your registration label as well, because incorrect attire means no points for you or the Club!
3. Remember: Do not cross over the track whilst events are in progress.  
Do not cross the grassed area between the Discus Nets and High Jump.

**NOTICES**

A reminder that throughout the season each family will be rostered for duty once every 3 weeks. Duty is to help out at any of the events, be it raking the long jump pits, measuring shot put or discus distances, or writing tickets. These functions are easy and are a part of your commitment when you register. It is also the only way that Little Aths can take place. Remember to sign in by 8.15am Saturdays, or 6.15pm on Friday twilight meetings so you can be early enough to choose what you prefer to do.

Please swap with another family if you are unable to do duty on your allocated day/night or phone Donna on 9729 6172
